About the 101 MTB Race

The 101km Mountain Bike Race, presented by Takie1976, is a tribute to the 101km marches as part of the SAP Special Task Force selection process. The race will be limited to 101 exclusive entries and will take place at Verdrag, SAPS Training Facilities and will be hosted by current and former SAP Special Task Force members.

Participants will follow the same epic route that SAP Special Task Force previously endured on foot in 24 hours. The scenic 101km route will take cyclists along gravel district roads with an elevation gain of 1,000 meters.

We invite you to join us for this nostalgic journey on a mountain bike and experience a remarkable weekend at Rooiberg Resort and Verdrag SAPS Training Facilities. 101 Entries for mountain, gravel, and E-mountain bikes are welcome.
