Ultimate Tactical Combat Challenge

# THE CHALLENGE

Local and international tactical operators will tackle the demanding 2-day challenge. The UTCC is compiled by ex-members of the SAP Special Task Force. The challenge is to test the fitness skills of members (physical endurance), firearm skills, handling a stress situation and driving skills.

These members will be tested to the extreme and under difficult conditions. The competition contains tasks that are built on each other – that require stamina, tactical preparation, and readiness.

The UTCC will demonstrate skills, fitness, and endurance of the best tactical operators in Africa. In the future, this will prove to be the ultimate tactical challenge internationally. All members will be evaluated by ex-members of the SAP Special Task Force.

We invite you to join us on this spectacular, yet challenging event. Enter today, test your tactical team's endurance, skills, and physical ability. Prove you are the BEST!
